

تأسست شركة **إتقان** لغرض الإستيراد والتوكيلات الهندسية منذ عام 2005 بجمهورية مصر العربية.
وتعد شركة **"إتقان للتوريدات الكهربائية والميكانيكية"** إحدى الشركات الرائدة في :

- ✓ أجهزة القياس والتحكم في العمليات الصناعية
- ✓ محابس التحكم الآلي
- ✓ أنظمة التحكم الكهرونيوماتيكي.

ونتيجة للخبرة العالية بقطاعات الصناعة المصرية فإن شركة إتقان تضم أقوى المصادر الأوروبية لدعم القطاعات الصناعية بجمهورية مصر العربية.

Butterfly valves - Wafer type

Double flanged concentric butterfly valve

U-section wafer type butterfly valve

Lug Butterfly valves

Wafer type, TFM-lined butterfly valve

Manual Threaded End Ball valves

ISO5211 Ball valves for Pneumatic and Electrical actuators

Three way ball valves

Wafer 1-piece body ball valve

Flanged connection Ball valves, 2-piece, split-body ball valve

Stainless Steel Sanitary Butterfly Valve

Stainless Steel Sanitary Butterfly Valve Welded end

Butterfly valves with actuator

Ball Valve with Pneumatic actuator

Three Way actuated ball valve with electric actuator

Stainless steel Sanitary valves with pneumatic actuators

Alphair

Alphair Double acting Pneumatic actuators

Alphair Single acting Pneumatic actuators

Quifer Electro-Hydraulic Actuator

DIN PN16, PN40, Class150, class300 Ball valves with Pneumatic actuators

Valves with manual override manual and actuators

Ball valves with Pneumatic actuators

Flanged Wafer ball valves with Pneumatic actuators

Three way ball valves with Pneumatic actuator

Klinger ball valves - 400C-with pneumatic actuators For Boiler Blow down

PVC valves with Pneumatic actuators

Double acting and Single acting actuators for butterfly valves

Electro pneumatic Positioners for pneumatic actuators

Pneumatic Solenoid valves - NAMUR and in line valves

Switch box for Open and close feedback

Flanged Butterfly valves with Pneumatic actuators

Engineered and Made in Germany. No frills

PSR-E The strong industrial actuator for the low power range up to 50 Nm

PSQ - Electrical quarter-turn actuator for simple control operations up to 1000 Nm

PSQ-AMS The Smart actuator solution for quarter-turn actuators up to 1000Nm

Engineered and Made in Germany. No frills

PSL Electrical linear actuators for simple control operations up to 25 kN

PSL-AMS - The Smart actuator solution for linear actuators up to 25 kN

PSM - Smart multi-turn actuator for simple and advanced control operations

Quarter Turn Electrical actuators for Ball valves

Ball valves with Electrical actuators

Electrical actuators for all butterfly valves sizes

Flanged Butterfly valves with Electrical actuators

PS-Automation Linear actuator with Globe valves

Electrical actuators for Temperature control applications

Electrical actuators with Lug Butterfly valves

Process control in the soda production
